

CITIUS SUMMER FELLOWSHIPS CALL – INITIATION TO RESEARCH

The *Centro Singular de Investigación en Tecnoloxías da Información da Universidade de Santiago de Compostela* (CiTIUS) is offering **10 summer fellowships for bachelor or master students** who would like to do research initiation internships at CiTIUS.

1. OBJECTIVE

This call aims to attract high level students interested in doing a hands-on internship in research initiation. Selected applicants will join a research project belonging to one of the CiTIUS Scientific Programs and will actively participate in all scientific activities.

2. CHARACTERISTICS

Fellowships are a month long and will preferably be done **during July of 2018**¹. Students will receive a grant of 700 euros and a traveling expenses compensation when not living in Santiago (expenses have to be justified with tickets, invoices, etc.). This compensation can amount to 80€ for students from Galicia and to 200€ for students from the rest of Spain or other countries².

3. TRAINING PROGRAM

Candidates will be assigned to a research project belonging to one of the CiTIUS Scientific Programs research areas and will be supervised by a senior researcher. Students will gain knowledge and know-how in the thematic area of his/her research. They will also attend conferences and training events³.

4. CANDIDATE REQUIREMENTS

Summer fellowships are aimed to students with interest in having a first time experience in the research field and that fulfill the following academic requirements:

- Students of science or engineering Bachelor and Master degrees.
- Academic record with an average mark equal or over 8.0 (in a 0 to 10 scale) in the corresponding degree.
- At least having finished the third year of the corresponding degree or having achieved more than 140 ECTS credits.
- A good command of Spanish or English is required.

5. APPLICATION AND DEADLINE

The application should be submitted by e-mail to citius.idi@usc.es, with the subject [SUMMER FELLOWSHIPS] before the **Wednesday, May 2nd at 23h59 hours (CEST)**.

¹ If justified starting and ending dates can be moved.

² CiTIUS can manage reservations in USC dorms, deducting its cost from the grant value.

³ The applicants may indicate in their expression of interest (see application form) if they are interested in pursuing their Master studies at the USC, in areas related to CiTIUS research lines.

6. REQUIRED DOCUMENTATION

- Application form, available to download at: citius.usc.es/summer
- Copy of the academic record of Bachelor, Master or equivalent, including qualifications for each subject and average marks (in a 0 to 10 scale).
- Applicants CV and copy of the documentation justifying other merits

7. EVALUATION

Applications will be evaluated on the basis of the average mark of the applicants academic record. The results of the evaluation will be published at CiTIUS website one week after the closing date for applications.
