Authentication

Authentication using the CITIUS username and password is required to access the wiki. If you don't have an account or don't remember either the username or the password you can request them sending an email to citius.tic@usc.es

Terms of use

- The wiki is a space for collaborative work between researchers that develop their activity at the CITIUS.
- Files can only be stored at the wiki if they are linked from wiki pages. Files not linked will be erased periodically.

- Report any abuse using the following [issue report form](#).

Syntax

The wiki's syntax is simple and very similar to others like MediaWiki's. However there are some differences. To get help there is a [syntax reference page](#) or you can use the buttons at the upper part of the edit box.
